

## Visit Us!

You are always welcome as a guest of CrossRoads Bible Institute. We ask that you first call us at 386-760-4806 or email us at [info@crbible.com](mailto:info@crbible.com). Also, it would be best to visit when classes are in session and include a day when you can take in a worship service on Sunday or Wednesday. From experiencing a Bible Institute class and CrossRoads worship service, you can better understand the heart and passion of what we are all about. If you are visiting us from out of town, we can recommend some hotels located close to the Institute, which will provide a reasonable rate. Make your reservations as early as possible, as Daytona Beach has many seasonal events that could affect the availability of lodging. The busiest months in Daytona are February, March, and July.

While visiting the Bible Institute, we request that guests that attend class sessions dress appropriately. The suggested dress code for women is a modest top and knee-length skirt, loose fitting pants, or a dress. Men should wear a collared shirt and casual or dress pants.

We look forward to your visit to CrossRoads Bible Institute!
